

**CAPT. RICHARD JOSEPH FORSTER**  
**MAY 22, 1930 — DECEMBER 5, 2008**

Please join us in a farewell service for Capt. Dick Forster. Our beloved "Richard", "Dad", "Cap" will be celebrated on Saturday, June 27th on the Hudson River aboard the tug *Pegasus*.

Please meet the tug at the yard of Warren George Inc. on the banks of the Morris Canal Basin to board at 1100. We will proceed to meet other boats at the mouth of the Creek at 1200.

The boats will drift north around Dick's early haunts. A short service will be held and remembrances offered.
